

MY PORTFOLIO OF GRAPHIC DESIGNS

ABOUT ME

NAME: Milan Pifua
Email: milanpifua@gmail.com
Contact: +256783610786
Sex: Female

My name is Milan Pifua. I am 24 years old.
I am a student pursuing a Diploma in
computer science at witu.
I love graphics designing because it allows
me bring my immaginations to reality.

01

MY POSTER DESIGN

I designed a poster when I was contesting for guild president position at my institution.

Miss. Milan Pifua

"EDUCATION FOR EVERY GIRL CHILD"

02

MY BUSINESS CARD

Designing a business card was not all that difficult.

Getting icons was quite challenging.
All in all business cards are easy to design for beginners.

Front side

Back side

03

MY MENU

I designed my menu
because I love food.

04

MY NEWSLETTER

My love for children inspired me to design a newsletter about school children.

UGANDA TIMES News Letter

Test Week is Coming!
Teachers will give you tests to check whether you have been revising.
Tests will start on 6th October 2023 at 9am so be ready.

RELAX AND PLAY

Study without play makes John a dull child. So as you revise take time to play.

STUDY TIPS AND TRICKS

Revise all you have been taught.

Engage in group discussions.

Carryout extra research on whatever topic you didnot get.

REMINDER

- Study hard
- Love your parents
- Respect your teachers
- Respect yourselves

05

MY JOBFLIER

I designed this job flier to be able to give opportunities to job seekers.

WE'RE HIRING!

06

MY CERTIFICATE

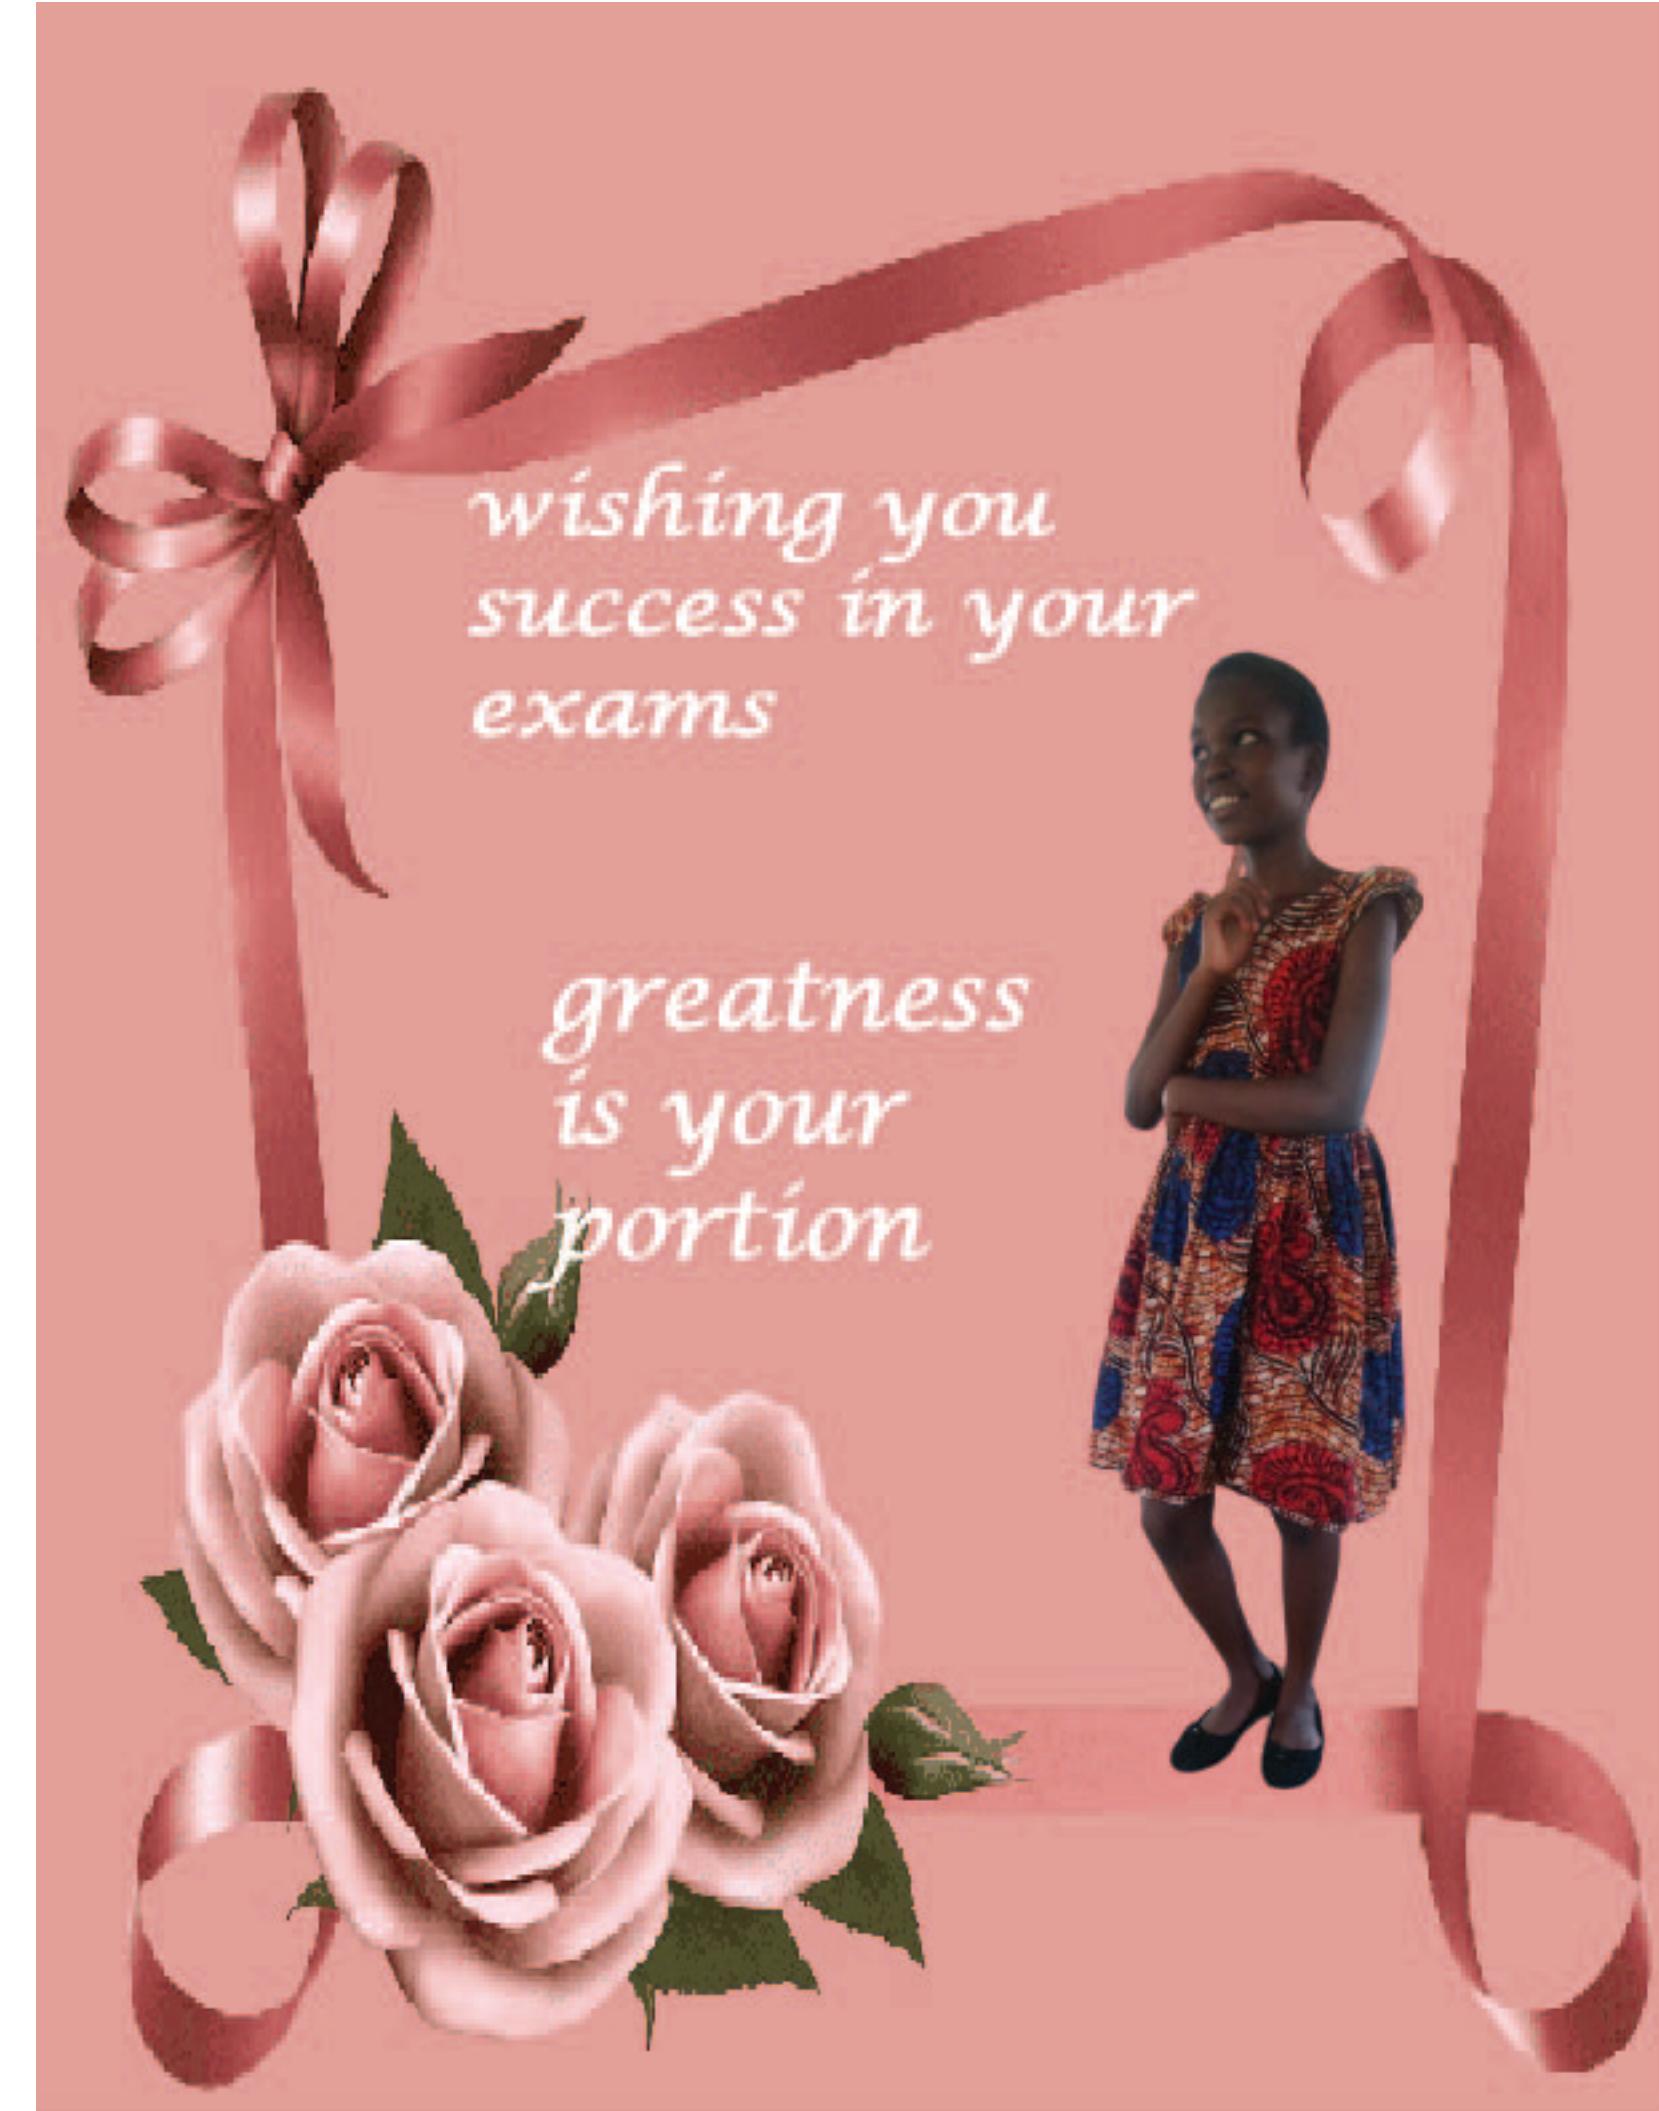

Certificates are always awarded to best performers so this inspired me to design one.

07

MY SUCCESS CARD

I designed this success card specially for my little sister because she was going to sit her primary leaving examinations.
